Find more **free** AppleScripts
and info on writing your own
at Doug's AppleScripts for iTunes.

This script deletes the lyrics from the selected tracks.

This script is Donationware. If you use it and like it *please* consider making a donation to support my AppleScripting efforts. Click here for more info.

Installation:

To manually install: Put AppleScripts in your iTunes Scripts folder. This is located in *[user name] > Library > iTunes*. If there is no folder named "Scripts" there, create one and put the script(s) in it. AppleScripts will then appear in iTunes' Script menu, and can be activated by selecting by name and clicking. Be sure to also save this Read Me document in a safe and convenient place.

How to use:

Select the tracks you wish to process. Then, run the Delete Lyrics script. Delete Lyrics will remove any lyrics you have entered for the selected songs.
